COUNTY ROAD 55: Marty Mack, Dick Anderson, Aaron Christianson

met with the board to discuss County Road #55. They informed the board that they have contacted Fish and Wildlife regarding a land swap to vacate 90 feet of the grassland easement. If that is approved they will move the road to the east and it will then meet the Right-of-Way requirements. They need approval from Highway Superintendent and the Board of Commissioners and documentation. The board is concerned with time constraints current board may not have the final decision. States Attorney (SA) Fjelland will create documentation to forward to Fish and Wildlife.

COUNTY ROAD: The board discussed placing a four way stop sign at the intersection of 430th Ave. and 174th St., south of Silver Lake Hutterian Brethren on County Road 8. Highway Superintendent (HS) Eggleston and Sheriff Heaton have both agreed to the proposal. We will discuss situation with the townships and get feedback. Also discussed a 45 mph speed limit on that stretch of road. Further discussion will occur.

WEED: Weed Supervisor (WS) Jenkins requested the following items be declared surplus property from the weed department. 2013 Proturm Gravely lawn mower, a Rota-Mold 350 gallon bulk tank that comes with a saddle, a fiberglass bulk tank and a 6 x 8 foot trailer. Motion by Spieker, second by Hass to approve surplus property and to sell the lawn mower on the Purple Wave site and the other items on the Courthouse steps on October 20, 2026 at 8:15 a.m.

CONCERNED CITIZEN: Thomas Lamb discussed concerns he has including defining light and heavy industrial use, businesses in the Industrial Park and hopes to bring public awareness to the County. He discussed the process of notification of neighbors for Conditional Use permits and Variances. He would like to see all Conditional use permits and Variances in House. He also discussed road safety and roads that he would like to see paved. He discussed emails for County staff and social media. No action taken.

BOARD OF ADJUSTMENT: Motion by Sass, second by Spieker to recess as the County Commission and Convene as the Board of Adjustment. All voting aye. Motion carried.

Chairman Gjerde called the Clark County Board of Adjustment meeting to order. Chairman announced for the record we are meeting via teleconference, and Luke Muller will be serving as staff and parliamentary support. The next item on the agenda is "items to be added to the Agenda by the Board members or staff". Muller noted that Andrew Wookey had requested his rezoning application be removed from this month's agenda, so there is no need to take up any business acting as the Planning Commission. Next item is an invitation for citizens to schedule time on the Board of Adjustment agenda for an item not listed under the Board of Adjustment portion. Nothing to be added. Chairman Gjerde asked if any board members have any Ex parte Communications or potential conflicts of Interest that the rest of the Board or public may want to be aware of. There were none.

Chairman Gjerde noted that there was a typo for Darlington Farms indicating a 30-inch variance instead of a 30-foot variance. Notices reference 30 feet. Motion by Schlagel, second by Sass to approve the Board of Adjustment agenda and remove the Planning portion of the agenda as Mr. Wookey has asked for a delay on that request. All voting aye. Motion carried.

First Chairman Gjerde has asked for a discussion or point of information to be placed on the agenda to discuss variances and whether the variance affects the entire property or just the area or structure in reference to the request. Luke Muller discussed the matter and informed the board that a variance is approved if there is a hardship on the property, not to say it can or cannot be tied to one spot. He discussed options moving forward. SA Fjelland added that looking back-

ward, have to look on the context of each variance and need to clarify that not all variances may be considered. Muller added that in the future, the zoning office will review whether a past (before 2019) variance action was made in reference to the entire lot or a specific project. The Board will have the authority to over-ride that determination at any time.

Motion by Spieker, second by Hass to deal with the first item of new business is a request by Darlington Farms for a variance to establish a shelter belt 70 feet from the right of way. Luke described the property as North 1180 feet, and the South 600 Feet of the North 1,700 feet of the West 360 feet of the Northeast Quarter of Section 30, Township 115 North, 58 West, Darlington Township of the 5th P.M., Clark County, South Dakota. The shelter belt will consist of five rows of trees and has supplied written consent from the Darlington Township Supervisors. After Luke's report, Chairman Gjerde opened the public hearing. Don Cotton spoke on his behalf regarding location of the shelterbelt. Chairman Gjerde opened for further public testimony. Thomas Lamb spoke on the request. There was no further testimony, and the public hearing was closed. Board questions were addressed. Luke asked the questions for the finding of facts and restated the motion. The motion is to approve a variance to allow for a 30-foot variance to establish a shelterbelt 70 feet from the 419th right-of-way line. Voting aye: Sass, Hass, Spieker, Schlagel and Gjerde.

Motion by Hass, second by Spieker to approve net application which is a request by Dick Reints for a variance to reconstruct a grain bin 50 feet from the right-of-way. In light of the discussion earlier, it is specified that the variance will only apply to the proposed bin as part of the motion. Luke gave report stating location is South Half of the Northwest quarter and the west half of the Southwest quarter of Section 16, Township 114 North, Range 55 West of the 5th P.M. (Pleasant Township) Clark County, South Dakota. The applicant requests a fifty (50) foot variance from the 432ndAvenue right-of-way to replace a grain bin. Chairman Gjerde opened the public hearing on this application. Dick Reints spoke on behalf of his request and explained that the current bins do not cause any issues with snow. Joe Reints explained that the requested placement is the most convenient on the property. Hearing was opened for further public testimony; Thomas Lamb commented on the request. The public hearing was then closed. Board discussion was held and Luke read the findings of fact. Luke restated the motion: The motion is to approve the Variance to allow for a 50-foot variance ONLY to reconstruct a grain bin in the specified location, 50 feet from 432nd Ave. right-of-way line in line with the other bins. Voting aye: Sass, Hass, Spieker, Schlagel, and Gjerde. Motion carried.

The next application is a request by T&K Wookey Farms on property owned by Gayle Wookey. They are asking for a variance to replace two grain bins fifty (50) feet from the right-of-way. Motion by Sass, second by Spieker to approve this variance that will only apply to the proposed bin. Luke Muller informed the board the property description is Northwest Quarter of Section 15, Township 116 North, Range 57 West of the 5th P.M. (Day Township) Clark County, South Dakota. The applicant is requesting a thirty-eight (38) foot variance from the 174th Street right-of-way to replace a grain bin. Chairman Gjerde opened the public hearing. Tom Wookey spoke on his behalf explaining why location was chosen. Cody Wookey also spoke regarding the request. The public hearing was opened for further public testimony. Thomas Lamb commented on the request. No further testimony and the public hearing was closed. Board questions were answered. Luke Muller read the findings of fact for this request. Luke read the motion: The motion is to approve the variance to allow for a 38 foot variance ONLY to replace the grain bin in the specified location, shown in the application, 62 feet from the 174th Street right-of-way line. Voting aye: Sass, Hass, Spieker, Schlagel and Gjerde. Motion carried.

The last Board of Adjustment request is for a conditional use permit by Hillcrest Hutterian to sell trucks and trailers as an extended home occupation. Motion by Schlagel, second by Hass to approve this subject to the conditions recommended by staff. Luke gave report informing the board that the site for this Conditional Use is the North Half of Section 14, Township 117 North, Range 57 West of the 5th P.M. (Mount Pleasant). Clark County, South Dakota. Hillcrest Hutterian Brethren seeking to sell up to five (5) trucks/trailers per year from the building in the northeast corner of the northeast quarter of this section. Chairman Gjerde opened the public hearing on this application. John Waldner spoke on behalf of

Hillcrest Hutterian Brethren regarding the request. The public hearing was opened further public testimony. Thomas Lamb commented on the request. There was no further testimony and the public hearing was closed. Motion by Sass, second by Spieker to amend the motion to state that all trucks and trailers for sale shall be stored on property in the Northwest Quarter of this Section. Further, no sales or storage of trucks/trailers for sale shall occur on any property outside the northwest quarter. All voting aye. Motion carried. Luke read the findings of fact and restated the motion. The Motion is to approve the Conditional Use permit for the extended home occupation subject to the conditions as amended by staff. Voting aye: Sass, Hass, Spieker, Schlagel and Gjerde. Motion carried.

ADJOURN: Motion by Schlagel, second by Sass to adjourn the Board of Adjustment and convene as the County Commission. All voting aye. Motion carried.

AIRPORT: Motion by Schlagel, second by Hass to approve purchase of a new air conditioner/heating unit for the Airport Building. Quote from Jon Moeller is \$1,399.00. All voting aye. Motion carried.

SERVICE AGREEMENT: Motion by Sass, second by Spieker to approve the Intergovernmental E-911 Service Agreement between the City of Watertown and Clark County. All 911 funds received by Clark County will continue to be sent to the City of Watertown. All voting aye. Motion carried.

SERVICE AGREEMENT: Motion by Spieker, second by Schalgel to approve the Intergovernmental Non-Emergency Dispatch Contract between the City of Watertown and Clark County. This contract is a two-year contract and Clark County will pay City of Watertown \$14,267.11 per year. All voting aye. Motion carried.
